

# Before You Buy,

Buying medicine online may **seem** to cost less, but it can put you, or your loved ones, at risk. Only buy prescription medication from legitimate, verified pharmacies and pharmacy websites.

# Verify

Use NABP's Safe Site Search Tool  
*to Help Protect Yourself*

from websites selling fake and unsafe prescription medication.

To use the Safe Site Search Tool, visit [safe.pharmacy/buy-safely](https://www.safe.pharmacy/buy-safely).
